MOUNTAIN VIEW
Christian Home School

Advancing education through
character - building
individualized curriculum and programs

NATIONAL ASSOCIATION OF PRIVATE SCHOOLS
ACCREDITED

Welcome to Mountain View Christian Home School

When you choose Mountain View Christian Home School, you get more than an organization that just sells curriculum. You get a Christian team of professionals who are committed to support all your educational needs. Our mission is to provide the educational tools for training children to love God and apply Biblical principles to every aspect of life.

The mission of our ministry is to deliver educational services that are individually tailored for the needs of each student and family. We intend to fulfill this mission by giving extra effort to help families understand the home school process. We hope this web site will provide you with the information you need to make the decision when choosing a curriculum for your student.

Online Curriculum

Overview

Serving grades 3 – 12, MVCHS Online Academy is cutting edge technology featuring a web-based curriculum. It is an excellent Christian curriculum containing animation, video clips, and other exciting multimedia. MVCHS Online can be accessed through any internet connection and browser using a personal computer and can be curriculum ready in minutes. MVCHS Online has a variety of lessons, assignments, and quizzes. It offers five core subjects plus numerous electives with automatic scoring and lesson planning tools that allow the parent to set schedules for particular time frames. MVCHS Online offers home- school students flexibility, convenience, and quality academics.

-Minimum requirements for Windows XP

CD Rom Drive

500 MHZ Processor

16 Bit Color

512 MB Ram

600 MB Free Hard Drive Space

1024 × 768 Screen Resolution

Printer Strongly Recommended

-Minimum Requirement for Windows Vista

CD Rom Drive

1 GHZ Processor

16 Bit Color

1 GB Ram

600 MB Free Hard Drive Space

1024 × 768 Screen Resolution

Printer Strongly Recommended

Traditional Curriculum

Mountain View Christian Home School has drawn from the conventional textbook format and divided it into bite sized, achievable, workbooks called PACEs.

Each PACE is more or less equivalent to a unit in a textbook. Each Level consists of 12 PACEs in each subject. PACEs integrate Godly character-building lessons into the academic content and are carefully designed to develop thinking skills and create mastery learning.

Students begin their PACE work by setting their goals, the concepts they will learn, a Bible verse, and a corresponding character trait. From the very beginning of each PACE they know what is expected and they assume the responsibility for their own learning.

Full color explanations and illustrations add excitement to each lesson, and innovative learning activities reinforce the interesting text material.

Each PACE contains checkups which are mini tests covering a section of the PACE. If mastery in an area is not achieved, the checkup will reveal that weak area. Students can then take the time necessary to review and learn those concepts.

Upon completion of the activities and checkups, the students prepare to take the self test, a practice test. Here students evaluate themselves and a supervisor/tutor determines readiness for the final test. When the self test is successfully completed, the student turns in the PACE and takes the final test the next school morning. The final test objectively measures student mastery of the material.
